THE COACHING WILDERNESS RETREAT

September 3rd

Our Coaches

Elie Daher
Mariella Bassar
Charbel Bou Hanna

Location

Bal'3 Bal'3a,
Tannourine

Contact Us

+961 71 360 600
info@stratonyorks.com

Mission

Our mission is to create an intensive Leadership and Strategic Planning program that helps corporations and individuals in identifying leadership qualities, effective communication and strategic planning skills in a hands-on environment.

Vision

Our vision is to maximize professional development with physical and psychological wellbeing in order to help individuals reach their maximum output. The workshop helps participants in acknowledging the importance of a healthy work-life balance and creates a new level of highly productive, mentally and physically healthy workforce.

Value

Our values reside in enlightening the new generation of professionals on the importance of a healthy body to maintain a healthy mind. And the fact that interacting with nature will give all those who are involved a stronger sense of respect and humbleness and an environmentally conscious group of citizens.

Our Approach

- A pre assessment exam will be sent to all participants 10 days prior to the training to identify area of development for each attendee personally.
- A healthy breakfast will be served by our health coach in order to provide all participants with a food intake that is full of energy to go through their day.
- Three hours of group coaching by three of our internationally accredited Executive & Leadership Coaches.
- A healthy lunch will be served by our health coach with tips on what to pack for lunch and what to eat on an energy boost.
- Four hours of rappelling in order to hike with our facilitators in order to monitor and assess each individual's leadership, communication, strategic planning and problem solving skills.

- A post assessment exam will be conducted and participants will be scored based on their mental and physical development as well as their initiatives.
- Shining stars and emerging leaders will be rewarded with prizes from our sponsors.
- All participants will receive a certificate of completion of our Wilderness Coaching Retreat.
