

# Nadine Nazih Al-SKAFI

## Master in Analytical Sciences

 Saida, Lebanon

 07 752 313 ; 76 904 260

 nadineskafi-lu@hotmail.com

## Education and qualifications

---

- October 2018 – Present      **Master 2 in Analytical Sciences**  
Lebanese University, Faculty of Sciences
- October 2017 – June 2018      **Master 1 in Analytical and Environmental Chemistry**  
Lebanese University, Faculty of Sciences, Section 1
- October 2013 – June 2017      **BSc. in pure Chemistry**  
Lebanese University, Faculty of Sciences, Section 1
- June 2013      **Lebanese Baccalaureate in Life Science**  
Hikmat Sabbagh, Yomna El Eid Public High School for Girls

## Professional Experience

---

- April - Present      **Training at RBML (food and water microbiology lab)**
- February – March 2018      **Training at National Evangelical Institute for Boys and Girls**
  - Attended chemistry classes for 2 complete months
  - Covered grade 7 and grade 8 classes
- 2013 – Present      **Private tutoring**
  - Experienced with intermediate and secondary level students, grades 7, 8, 9, and 10
  - Covered scientific material (chemistry, biology, physics)

## Skills and Competences

---

- Experienced with Microsoft Office (Word, PowerPoint, Excel)
- Good presentation, speaking and communication skills
- Skillful at essay and report writing
- Ability to plan ahead and manage time
- Leadership and supervising skills
