

## **TO WHOM IT MAY CONCERN**

I am a well-motivated self-starter to rise to a challenge and prove my skills at a higher level.

I am currently seeking a job in a professional environment where I can share and broaden my expertise at various levels in the world of technology.

I have long experience projects management, quality control, environment, health and safety (EHS), field staff management, warehouse management, inventory control and site acquisition for telecom projects and IT networks.

My primary objective is to become a member of a dynamic, leading company with an innovative management culture, a vision for growth, and a devoted, friendly, and forward-thinking team.

If given an opportunity to work for your company, I assure you that I will do my best to fulfill the duties allocated to me to the utmost satisfaction of my superiors.

Please, find enclosed my Curriculum Vitae for your information.

Waiting to hear from you,

Thanking you with best regards,

*Sameh El-Hassan*
