

MUSTAPHA AHMAD

SUPPLY CHAIN COORDINATOR

Profile Summary

An accomplished, versatile and results-driven professional with a proven track record in Operations, Logistics, Estates Management, and Project Management, Procurement Lead, Business support, Stakeholder management, Stakeholder engagement.

Experience

Aug 2018 - present

Supply Chain Coordinator (IRAQ)

Doctors Without Borders - MSF

- . Define and regularly revise the supply strategy of the mission together with the coordination teams.
- . Define and ensure the implementation of the overall supply procedures, keeping in mind that the dynamic nature of the Iraqi context needs AGILITY. Provide adapted tools in order to support the different supply activities (UNIFIELD implementation).
- . Implement strategic procurement including sourcing, supplier selection and evaluation criteria, quality management, customer relationship management and performance measurement, as well as ensure its monitoring and evaluation.
- Put in place measures to assure accountability (Internal Control)
- . Produces a WH strategy in collaboration with the client (med dept). Elaborates an integration policy and assures management of medical stocks. Makes sure that our WHs comply with Iraqi law. Agrees service levels with our client ensuring traversal collaboration and produces agreed reports to them
- . Dimension the supply department in order to implement the established strategy. Define terms and responsibilities for each member avoiding overlapping. Define development plans for the staff. Identifies detachable staff.
