

Jad Al Shaar

B.E in Industrial Engineering

Ainab, Lebanon • +961 70 323 995 • jad.alshaar33@gmail.com

EDUCATION

September 2013-December 2018

Lebanese American University
B.E in Industrial Engineering

September 2011- June 2013

General Science
Eastwood College

ACADEMIC PROJECTS

January 2018 **Senior Year Project** at LAU, Lebanon (Dr. Marc Haddad, Dr. Pierette Zoueïn)

- Designing a diner food chain using industrial engineering approaches.
- Development of process, product, and schedule designs to meet project requirements.

December 2018 **Six Sigma** at Pepsi-Cola Industry, Lebanon (Dr. Zahi Cheheilti)

- Evaluating the main causes of bottle cap torque waste.
- Minimizing waste through the application of Six Sigma techniques (IPO, FMEA, etc.) using DMAIC methodology to find permanently controlled solutions.

May 2017 **Project Management** at LAU Byblos New Engineering Building, Lebanon (Dr. Pierette Zoueïn)

- Planning Activity and resources, controlling time management and project progress, and estimating project risk and costs.

December 2018 **Supply Chains Management** at RADAC, Lebanon (Dr Nabil Nehme)

- Forecasting of product demands using engineering methodologies, and understanding the cycles of shipments/distributions, sourcing, information, and inventories.

WORK EXPERIENCE

December 2019-Present

Tech Zone, Ainab Lebanon

Assistant Manager

- Money transfers (Moneygram) and sales
- Experience in customer service
- Taking care of daily operational accounting

INTERNSHIPS

June 2017

AGTHIA Group PJSC, UAE (Sanjay Jagtap, Quality Manager)

- Visited all project management related production factories such as water, beverages, dairy and frozen bakery.
- Reported on 'high-speed line manufacturing process' project.
- Received an orientation on health, safety & environment, and ensured its efficient application.
- Applied quality assurance, supply chains management, and food safety concepts.

VOLUNTEERING ACTIVITIES

July 2012 Ainab and Baysour forest cleaning operation.

June 2013 Ainab Social League Marathon organized for raising funds for orphans.

July 2014 Ainab Social League Kermis and Carnival.

June 2016 Live Guitar Performances at several local cafes

LANGUAGES AND SKILLS

Languages: Fluent in Arabic and English.

Skills: Primavera, Arena, Solid Works, Matlab, Lingo, AutoCad, Microsoft Office, Ableton, Traktor.

Interests: Music Production, Live Performance, Emotional Intelligence, Psychology, Leadership, Operations Management, Hiking, Swimming, Camping, Cooking, Yoga, Meditation and Environmental aspects.
