TO WHOM IT MAY CONCERN

This is to certify that **Mohamad Kabalan** has successfully completed the Torch Academy internship for a period of 8 weeks.

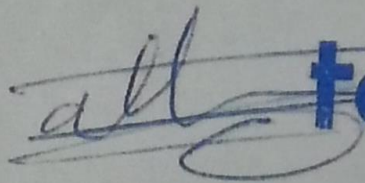

**Monday 25<sup>th</sup> July to Friday 16<sup>th</sup> September 2016**  
Torch Premises, 6<sup>th</sup> floor, Jallad Building.

The intention of this course is to give an overview and train the attendees in project management, creativity, business skills and programming languages skills. The course gives knowledge as well as hands on experience of design, methodology and development of a functioning mobile application or web product. Programming languages include iOS, Android and Web.

The internship lasts for 8 weeks out of the 14 weeks boot camp. Torch boot camp includes 14 weeks of scheduled time through lectures, demonstrations, group assignments, supervised workshops and hands on development.

Throughout the course, the trainee focused on Web coding track.  
This letter was given upon request of Mr. Mohamad Kabalan.

**Torch Management**

**Youssef Jalloul,**  
**General Manager, Torch sal.**

### To Whom It May Concern

This is to certify that **Mr. Mohamad Mahdi Hani Kabalan** was enrolled at OGERO as a trainee as per the following details:

**Period of Training:** From 18/07/2014 To 13/09/2014

During that period, the trainee performed site visits and was exposed to the following topics:

1. The Telecom Network structure & components including switching technologies, data networks, xDSL and role of DSLAM as well as router configurations related to that technology, and the main distribution frame (MDF).
2. PDH & SDH Transport Network: Multiplexing stages, frame structure, application & advantages as well as its bit rates and how it's associated with the microwave transmission. Fiber Optic transmission and DWDM technique were also covered.
3. The switching network and its structure and its deployment in Lebanon with respect to Alcatel, OCB Platform.
4. the concept of the call center, the way it operates and how it handles subscribers' complaints. The training also included different site visits.

This internship certificate was issued to him upon his request.
