About me :

age: 24 years old

date of birth: 09/04/1995

Nationality: Tunisian

Living in: Lebanon, Saida, Nabih Berri Boulevard,
Engineers bldg, 4th floor

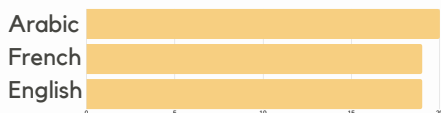

Executive Summary

I am a university student in Cartography and Urban planning. I joined AIESEC (youth international organization) more than 3 years ago where I got the experience in handling multi-situations through the positions that I hold. Now my professional experience stems from my AIESEC environment by having excellent team support, being creative, solving problems and building a good customer centricity.
