Experience

Freelance Landscape Architect, Consultant & Subconsultant

November 2017 to August 2018 (Lebanon)

*Designed the detailed drawings of a private rooftop terrace, to be given to the contractor for implementation.

*Designed large scale terraced gardens of a private religious convent.

*Delivered a cost effective design to meet both consultant's and client's needs.

ZMK Landscape Architects, Junior Landscape Architect

January 2017 to October 2017 (Lebanon)

*Provided my skills and ideas to design sustainable and elegant landscapes.

*Worked on the development of plans, renderings, BOQ and presentations for several types of projects: residential houses, public parks, and streetscape.

*Adapted in a teamwork to fulfill the given tasks within a limited time.

Mosbach Paysagistes, Landscape Architect Intern

August 2015 to September 2015 (Paris, France)

*Worked with analysis of an existing site, design research, and plan designing.

*Designed the layout of presentations and portfolios.

Lola et Moi, Fashion Design Intern

August 2009 (Lebanon)

*Organized the looks of the Fall/Winter Collection.

*Supervised and checked the imported products in the finance department.

Other Experience

Refugees and Marginalized Communities in Lebanon and Egypt, Student Civic Engagement Conference at AUB

December 2014 (Lebanon)

*Debated on solutions for informal settlements in Lebanon and Egypt.

Community Service, Helping Orphans and Families in need

October 2009 to May 2011 (Lebanon)

*Assisted orphans on educational activities, as well as learning math and book reading.

*Volunteered in an ONG that helps families in need.
