Date of birth: 23/6/93

Gender: female

CAREER OBJECTIVE

An interior designer with knowledge in drafts, AutoCAD, 3Dmax, Photoshop, Microsoft word, excels and power point. As an experienced Interior designer, I would like to use my artistic approach in designing and managing the designs produced by me. My ability to get along with other people with ease will help to work with people from different levels.

Since I have finished with my master degree in management, I would be glad to share my ideas and knowledge that I recently have in this field. I am more motivated than I thought I would be, as well as hardworking, dynamic and always ready for challenges.

PERSONAL PROFILE

I am very motivated and adaptable to any change , I have knowledge in drawing AutoCAD, drafts, 3dmax and Photoshop . I have high technical skills developed through past experiences. I am very focused on my work and what my clients want. Works well as a team player, driven to support fellow team members in achieving higher goals excellent common sense and decision-making abilities.
