## PROFILE

I am passionate about what I studied during my Bachelor degree in Communication arts, Film and TV at The American University of Science and Technology in Beirut. While studying, I was working in different positions to gain experience and develop my skills. My aim is to join a creative team and to be in a challenging position within the media and entertainment industry where I can help the organization through my skills and experience.

## EXPERIENCE

### Content creator at Media Share 2017 – present

Creating social media content, mainly video stories, for brands and businesses in Lebanon.

### Content creator at Score TV 2015 – 2017

Creating social media content, promotions and digital adverts for brands and businesses in Lebanon and the Middle East.

### Internship with Fatafeat Channel - Dubai 2015

Being an intern with Fatafeat Channel in Dubai, I gained a wide experience by shadowing different positions from producer to director, post-production manager and promotion producer. Mainly cooking shows.
