PROFESSIONAL EXPERIENCE

Resource Group Holding

Business Analyst – Financial Planning & Analysis

Beirut, Lebanon

Aug 15 – Present

- Played a key role in the annual budgeting and quarterly forecasting cycles for all the companies under Resource Group (industries: Security Printing, Technology, Telecom, Gaming, etc.)
- Built a new budgeting model for 2019 Plan, that was rolled-out to all the Group
- Provided reports, presentations and ad-hoc analysis including annual operating plan budgets, monthly cash management, profitability forecasts and actual versus budget performance
- Developed a comprehensive valuation model for Resource Group and its subsidiaries (more than 20 companies) as part of a leveraged buy-out transaction
- Built Discounted Cash flow models to have an estimation of the full enterprise value (sum of parts)
- Successfully completed a capital increase transaction for an early stage company in my portfolio through a VC fund
- Participated effectively in shareholder and client meetings and directly supported the CFO

Byblos Bank SAL

Internship - Corporate Banking and Hazmieh Branch

Beirut, Lebanon

Jul 14 – Aug 14

- Completed a 1-week training in the Corporate Banking department where I developed a good business and credit analysis understanding
- Accomplished a 2-month training at Hazmieh Branch (one of the largest in the network), where I rotated between different departments and services (Front Desk, Personal Banking, Administrative Assistance)
- Managed to work independently at the Front Desk 2 weeks after the start of my branch internship
- Earned a remarkable grade of 16 over 20 on the internship report I submitted at USJ

ADDITIONAL EXPERIENCE AND SKILLS

- Earned a certificate for completing MindCypress (Google Partner) Financial Data Modeling course in Beirut
- Arabic Native Speaker. Advanced in English and French
- Computer Skills: Microsoft Office applications (Outlook, Word, Excel, PowerPoint)
- Provided private lessons of accounting and finance to students at USJ
- Hobbies and interests: Football, Swimming, Hiking, Listening to music
