

Christelle Moussa

Landscape Architect and Environmental Scientist

Ambitious with good communication skills and leadership qualities. Besides my skills in landscape design, I have made it my focus to develop my understanding of human-nature interactions in order to focus on the eco-friendly aspect in my landscaping projects.

ORGANIZATIONS/CLUBS

Order of Engineers and Architects (05/2018 – Present)
Member

AUB Latino Dance Club (09/2014 – 06/2015)
President

AWARDS/HONORS

Global student delegate - Pritzker forum on global cities
The Chicago council on global affairs
Nominated as the representative of AUB to participate in the forum that took place in Chicago

Research grant winner in the IFI climate change student competition (01/2019)

IFI (Issam Fares Institute at AUB) in collaboration and BLF bank in partnership with IHE Delft and Wageningen University and Research (WUR)

- The competition encourages interdisciplinary research on climate change adaptation and water scarcity solutions that inform policy making.

3rd Prize in the Adlieh roundabout competition (12/2014)

AUB in collaboration with BLC Bank

- The competition is a call for creative approaches to the development of Adlieh roundabout and underpass. Providing opportunities for playful interaction and exchange and superimposing the physical scaffold old of a left-over place.

Winner in the "Souk O Shouf" farmers' market Design Competition (05/2014)

AUB in cooperation with Al Shouf Cedar society (the Shouf Biosphere Reserve)

- Challenge: Design a theme park around the new and improved market that includes a play area, picnic spaces, a river promenade and agriculture space in an attempt to transform the space into an attractive haven for farmers and their customers.

Honor list (09/2013 – 12/2013)
(AUB) - Bachelor's degree

Honor list (09/2015 – 12/2015)
(AUB) - Bachelor's degree
