

Mohammad Merhie

Junior Full Stack Developer

Hay El-Selom
Beirut, Lebanon
(70) 811-816
mhmd.merhie@gmail.com

EDUCATION

Lebanese University, Hadath — B.S. MIS

OCTOBER 2015 - OCTOBER 2019

EXPERIENCE & TRAINING

SE Factory, Beirut, Lebanon — Cycle #9 Graduate

SEPTEMBER 2019 - DECEMBER 2019

Intensive full stack web development program covering cloud architecture, front-and back-end development, source control, and web application security over 14 weeks of lectures, workshops and projects

PROJECTS

Fitness Tracker — Nutrition Tracker and PT Community

Built a mobile app for tracking daily caloric and nutrient intake and exercises; with a social network for fitness fans to find personal trainers and training advice. Used laravel for backend, react native with expo for frontend, and firebase for storage and real time updates.

Shopping Website — Multi Store Shopping Portal

Created a shopping website which contains multiple stores from many industries, providing a place for users to get all their needs. Project primarily served as learning experience to learn php and javascript.

PROFILE

Management Information Systems graduate with web development expertise.

Fitness enthusiast that will work extra hours for whey protein shakes.
