ADDITIONAL INFORMATION

Projects

Bass Tuner by Roadie (2019)

- A chromatic tuner built for all instruments. This app is optimized to detect low frequencies making it ideal for bass guitars, upright bass, cello, and even electric, acoustic and classical guitars.

Google Play: <https://play.google.com/store/apps/details?id=com.bandindustries.basstuner>

Apple Store: <https://apps.apple.com/us/app/bass-tuner-by-roadie/id1205959492>

Recorder by Roadie (2018)

- Recorder gives audio recording a much needed AI boost. The app is built with a smart algorithm that recognizes the track you are playing or singing. It then automatically clusters your recordings together and gives each a unique name. This saves you the hassle of scrolling and searching for a particular recording and allows you to focus on making music.

Apple Store: <https://itunes.apple.com/us/app/recorder-by-roadie/id1439798397>

Roadie Tuner (2017)

- Designed by musicians for musicians, the app's beautiful, minimal, and intuitive interface allows you to stay up to date with the latest Roadie upgrades.
- Explore a wide variety of alternate tunings, create custom tunings and consistently get the best sound out of your instrument. Roadie Tuner makes tuning a breeze.

Google Play: <https://play.google.com/store/apps/details?id=com.bandindustries.roadie>

Apple Store: <https://apps.apple.com/lb/app/roadie-tuner-guitar-tuner/id710590602>

Look in MENA Events (2017)

- Get to know about all upcoming events and activities in your city (Cinema - Play - Outdoor - Community - etc.)
- You can get reminders about your interests and invite your friends in a very easy way!

Google Play: play.google.com/store/apps/details?id=com.ionicframework.sqlite174028

SurSight (2016)

- Extend your normal vision with dozens of pre-built simulations, including eye disorders, animal simulations, baby's eyes and much more.
- Test your eyes for visual acuity, central vision, color blindness or play some games. Lots of useful tools including the search for nearby doctors, color namer, substitution mode for color blindness, and many more tools that will make your daily life easier.
- This app was nominated to world summit award mobile (2016).

YouTube: www.youtube.com/watch?v=T5TtkHL0_WM

RTA Dubai v1.0 (2015)

- RTA Dubai is RTA's flagship smart application for Dubai, which includes a list of services and features designed to support roads and public transport users.

Google Play: play.google.com/store/apps/details?id=com.rta.rtdubai&hl=en

Virtual Piano simulation using a paper-piano-keyboard (2014)

- Playing piano using a piano keyboard printed on a white paper and webcam projected to this paper.

CERTIFICATIONS
