Ghoubeiry
Beirut, Lebanon
(70) 891-380
huseln.m.hammoud@gmail.com

EDUCATION

LIU, Beirut — *Bachelor of Science in Communication Engineering*

OCTOBER 2012 - JUNE 2018

EXPERIENCE & TRAINING

SE Factory- Beirut, Lebanon — *Cycle #9 Graduate*

SEPTEMBER 2019 - DECEMBER 2019

Intensive full stack web development program covering cloud architecture, frontend and backend development, source control, and web application security over 14 weeks of lectures, workshops and projects

Einstein Teaching Center- Beirut, Lebanon — *Owner/Teacher*

October 2013 - July 2016

Provided high school students intensive private lessons in Math

PROJECTS

iRental — *Car Rentals Simplified*

Used Laravel, ReactJS and Firebase to develop a user-friendly UI, where users can easily rent a car or propose their own car for rental

Exam Scheduler — *Planning Made Easy*

Used VBA to develop a user-friendly Excel application to get all courses available during an academic semester and schedule them in a select time range with proctors for every class

Project Manager — *Tasks and Users in Check*

Used Laravel and React to develop the UI and show all given tasks

PROFILE

On my first two months of my latest job, I received "The Most Popular Employee" award.

In love with football and movies, especially the Marvel universe and Ironman in particular.
