London, UK

## EDUCATION

### King's College London

*September 2017- on-going*

*London, UK*

- ◆ Bachelor's degree (Beng) in Electronic Engineering with Management, 2:1
- ◆ Modules included Business Strategy, Accounting, Programming Practices, Electronic circuits, Internet Systems, Cryptography.
- ◆ Final year project: Unmanned Aerial Vehicles in 5G and beyond wireless networks.

### Lycée Français international Georges Pompidou de Dubai

*September 2004 – June 2016*

*Dubai, UAE*

- ◆ French scientific baccalaureate, with emphasis on life and earth sciences, Magna cum laude.
- ◆ Student representative at school's education board 2015-2016, and class representative for four consecutive years.

## PROFESSIONAL EXPERIENCE

### Capital One, Software Engineering Internship

*July 2019- September 2019*

*London, UK*

- ◆ Part of a back-end agile team. Applied test-driven development to improve the team's software health check to an AWS (amazon web services) server.
- ◆ Coordinated with a team based in Nottingham to work on an API that provides simulated account and transaction information. This API is used in hackathons sponsored by Capital One.
- ◆ Created the endpoints to authenticate the user to the API and safely store their information in a database (DynamoDB, AWS).

### King's College London Tech Society, Vice President

*March 2017- March 2018*

*London, UK*

- ◆ Lead and coordinated a 25 people committee.
- ◆ Organised weekly workshops (10 weeks each). Topics included Algorithms, Python for beginners.
- ◆ Organised meetings and networking events on campus.
- ◆ Organised HackKing's 5.0. Hackathon (24-hour long programming competition) of over 250 attendees. Drafted sponsorship proposals, got in touch with sponsors, and welcomed them at the venue. Sponsors included American Express, Bloomberg, Capital One, Reply, Société Générale.

### Heliozid Océ Emirates, Internship

*June 2018 – July 2018*

*Dubai, UAE*

- ◆ Conducted researches on the company and the printing industry in the Middle East.
- ◆ Got in touch with potential clients and presented the company.

### InterAide (NGO), Internship

*August 2016*

*Paris, France*

- ◆ Drafted presentations for training workshops for an NGO that specializes in development programs.
