Cyril Saad

Phone number: 70183133
Email: saadcyril@gmail.com

I am looking to engage myself in a challenging environment in order to learn, and grow as a software developer.

Education

Lebanese University - Institut Supérieur des Sciences Appliquées et Économiques
Bachelor of Science in Computer Science
2018 -   2021

General Secondary Certificate – Lycée Officiel Georges Ephrem

Work Experience

- **Areeba**

September 2020 - October 2020
Worked as a freelance full stack web developer. Contributed to projects using ReactJS and nodeJS.

- **INDEVCO Consultancy**

June 2020 - July 2020
Full stack web development intern. Developed websites using WordPress on the server side and HTML and CSS on the client side.

- **Eurisko Mobility**

February 2020
Interned in full-stack web development. Developed a REST API and implemented it on a dashboard that would display the data fetched from the database in different charts using MEAN stack.

- **Nature by Marc Beyrouthy:**

Worked as a barista in the teahouse and as a salesman in the showroom - July 2018 - 2020

- **Faqra Catering**

Worked as a waiter in weddings - July 2016 – 2017

Languages

Fluent in Arabic, English and French
Basic competency in Spanish

Skills

Programming languages:
Fluent in Java, JavaScript, HTML, SQL, HTML
Software: Eclipse, Git, Microsoft Office, MongoDB, Drools

Frameworks: Bootstrap, Swing Application Framework, Express.js, Angular, ReactJS

Projects

- Developed a Point of Sales software with a graphical interface using Java and Swing Application Framework for retailers in which you can register products, manage clients and suppliers, manage supplies, view sales history, calculate average cost and set prices based on cost.

- Developed a web application using HTML, CSS and PHP which allows a user to create a profile and search for products and display the product's nutritional value and grade based on the Nutri-score scale. The user can also view his last visited products, store products in a favorites list and view if the product contains any allergy-causing ingredients.
