WORK EXPERIENCE

BLUERING

Beirut, Lebanon

Business Analyst/Consultant

2019 - Present

- Re-engineered the credit lending process by implementing Credit Management application for banks in the Middle East
- Built risk rating and loss given default scorecards for corporates, SMEs, Banks, Insurances, and NBFCs as per Standard & Poor's Global methodology
- Assisted banks in deriving point in time and forward-looking risk parameters (PD & LGD) and calculating Expected Credit Losses as per S&P Global Ratings methodology to comply with the new IFRS 9 impairment requirements
- Gathered and analyzed business requirements from project stakeholders and transformed them into system requirements
- Provided weekly detailed quality assurance reports on application design and performance

AUB SULIMAN S. OLAYAN SCHOOL OF BUSINESS

Beirut, Lebanon

Case Author / Graduate Research Assistant

2017 - 2018

- Published a strategy case study "[Democrata: Exploring Opportunities for Local Growth](#)" with Ivey Publishing and AUB
- Collected and analyzed research material in Human Resource Management, Marketing, and Social Entrepreneurship

ERGA GROUP

Naccache, Lebanon

Electrical Project Engineer

2014 - 2017

- Planned and completed electrical designs for 13 multimillions residential, commercial, and data center projects in KSA, Qatar, and Lebanon
- Promoted solar panels installation in GCC states by developing a paper on system's cost effectiveness and efficiency, thus saving \$200 thousand/year on electricity bills as a result of a projected rise in kilowatt-hour cost after 2014 oil prices drop
- Coordinated with clients as well as with engineers from different departments (architectural, civil, mechanical, landscape)
- Led level 1 engineers and AutoCAD operators to finish projects on time and to ensure all industry specifications were met
- Conducted presentations and shared knowledge with colleagues about fire safety, power generation, and low current
- Performed site inspections and visits in Lebanon allowing projects to be completed on time and within budget

EXTRACURRICULAR ACTIVITIES

- **Grade 9 physics teacher volunteer**- Lebanon public schools within MMKN organization program to support education
- **MBA society VP**- organized professional workshops focused on thesis writing in addition to entertaining events
