

PERSONAL STATEMENT

I'm 27 years old Motion Graphic/UX/UI Designer, I'm interested in everything that has to do with beautiful design, creativity, animation, industrial design and user experience.

I have 5 years of experience working as a freelancer and working in professional environment, and I'm open for visiting new countries for better opportunities. I love to work in a team where people have the same passion for what they love as I do.

Go further down to see why I am the man you need to hire!
