EDUCATION

BSc. Computer Science

Hashemite University

06/2016 – 06/2020

secondary school

Al-Manar High School

01/2014 – 12/2015

School

UNRWA Schools

01/2004 – 12/2013

PERSONAL PROJECTS

Website And Application Offers (Graduation Project)

- It is a website and application (Flutter) offers that targets all who wants to obtain the largest number of offers and discounts in all regions of Jordan

Selective Repeat ARQ Simulation System (OOP)

- Developed and designed an app that simulates an Automatic Repeat Query (ARQ) network for data transmission. The app helped in ensuring reliable data transmission between senders and receivers by using positive and negative acknowledgments.
