### Personal statement and objective

---

- I am a self-disciplined person who likes to work hard and diligently. I might not always get what I want but I keep trying until I do. I like things to be organized, clear and systematic but I also believe it is good to get out of my comfort zone! Therefore, I want to start getting exposed to the unfamiliar and learn new things that challenge my thinking
- I am looking for a full-time job allowing me to step-up my learning and expand my knowledge in the business world
