OBJECTIVE

As a fresh Computer Science graduate, I would love to pursue my masters studies at a reputable German University; Bauhaus University Weimer. I believe I am a good fit to a motivated, goal-oriented, and innovative international team.

EXPERIENCE

Growth Technology - *Front-end developer*

FEB 2020 - PRESENT

By working with the web team on the company's projects, I became more familiar with the AngularDart framework.

ASAP Systems - *Intern*

JUNE 2019 - JULY 2019

By working with the web team on the company's website, I became familiar with HTML, CSS, PHP, and the wordpress framework.

WIE - *Treasurer*

JANUARY 2019 - PRESENT

Contributing to a new club at NDU, that's dedicated to promoting women engineers and scientists and inspiring them to pursue careers in STEM.

EDUCATION

Notre Dame University, Zouk Mosbeh - *BS in Computer Science*

August 2017 - May 2020

Graduated with a GPA of 3.63.

Lebanese Evangelical School, Tyre - *Lebanese Baccalaureate in General Sciences*

July 2020

Graduated with a good mention.
