Saida, Lebanon

Professional Summary

Hard working interior designer with great communication skills, flexibility, and team work. I excel in my domain due to my great attention to detail in order to have the best results.

Skills

- Auto desk AutoCad 2D&3D
- Auto desk 3Ds Max
- ArtCAM
- Adobe Photoshop
- Auto desk Revit BIM
- Microsoft Office

Experience

Intern

June - August 2018

Afara Design Studio

Saida, Lebanon

Working on AutoCAD plans, sections, and elevations of the project, in addition to 3D modeling and rendering if required, and site supervision along the lead designer.

Retail Design Workshop

March 2018

Nuova Accademia di Belle Arti

Debbieh, Lebanon

A pop up retail store in Downtown, Beirut where I was asked to draw the architectural plans, sections, and elevations, in addition to making 3D sketches and 3D renderings.

Freelance

July 2018

Escape Hour

Saida, Lebanon

I was asked to design the interior of a small gaming lounge with a client on a tight budget, so I had to limit my design to the colors, lighting, and furniture of the project.

Intern

July - September 2014

Framedia

Saida, Lebanon

A graphic design company where I worked at the reception, taking phone calls and helping clients, as well as helping in the copy center and taking notes of the head designers work.

Education

Bachelors in Interior Design

July 2019

Beirut Arab University – Architecture

Debbieh, Lebanon

Lebanese Baccalaureate – Life Science

July 2014

Sidon National School

Saida, Lebanon
