

# Karim Z. Al-Hajjar

Electronics Engineer

## Summary

- Professionally qualified with a Master of Science in Electronics Engineering.
- Sound knowledge on electronics engineering concept, principles and practices.
- An enthusiastic and dedicated professional with quick learning skills.
- Effective analyst, problem solver, and communicator.
- Strong ability to manage projects.

## Major Subjects

- Circuit Analysis & Design
- Electronic Devices
- Signal Processing
- Electrical Machines
- Automation
- Microprocessor & Microcontroller
- Digital Logic Design
- Optical Communication System
- Signals & Systems
- Computer Architecture
- Power Electronics
- VLSI & FPGA Design
- LNA Designing
- IC Designing
- Sensors
- Mechatronics

## Experiences

- **PCB Electronics Fixing ( Freelancer)**
- **Cloud Linux Server Configuring Software and Hardware (3E)**
- **University projects and competitions**

## Education

**Bachelor of Science in  
Electronics Engineering**

Lebanese International  
University **2018**

**Master of Science in Electronics  
Engineering**

Lebanese International  
University **2020**

## Contact Information

- 📍 Beirut, Lebanon
- ☎ +961 70717634
- ✉ alhajjarkarim@gmail.com

## Personal Skills

- Windows Profession
- Cracking
- Linux user
- Formatting Profession
- Video Editing
- Android Profession
- Arduino Profession
- PCB troubleshooting

## Technical Tools & Skills

- Proteus
- Altium
- Matlab
- OrCad
- Cadence
- Pspice
- Visual Studio C++
- LabVIEW
- AutoCAD Inventor
- ADS
- Eagle
- ANSYS
- Arduino
