PROFESSIONAL SUMMARY

Two years consulting experience in mapping, visualization, and economic analysis. Aspiring data analyst and in progress Google Certified Data Analyst.

EDUCATION

American University of Beirut (AUB) - Beirut, Lebanon

Sept 2017- May 2022

BBA - Business Information & Decision Systems

- Minor in Economics.

EXPERIENCE

Mercy Corps, Humanitarian Access Team (HAT), Remote

Feb 2019- Jan 2021

Research & Mapping Analyst

- Contributed to the research and development of regular biweekly as well as thematic reports providing various humanitarian policymakers with insights to improve response operations in Yemen.
- Conducted qualitative and quantitative research and analysis on economic developments and policies as part of the teams' papers, synthesizing available data to draw insights and make recommendations.
- Designed and managed templates and visualizations for the reports using Illustrator, Photoshop, and InDesign.
- Produced illustrative and spatial maps of the conflict dynamics, actors and humanitarian situation using CartoDB, ArcMap, and Illustrator for tracking and forecasting escalations around the country.
- Assisted in the database design and data structuring for the Yemen Economic Tracking Initiative (YETI) dashboard, used to track economic indicators and updates, using several monitoring tools, including Dataminr and Airtable.

Data & Infographics Intern, Beirut, Lebanon

Jun 2018- Dec 2018

- Provided media monitoring and research support on the humanitarian and economic situation of the Yemen conflict towards the production of regular and situational reports.
- Assisted in the design and data collection for infographics and maps in analytic products and dashboard.

United Nations Global Compact, Beirut, Lebanon

Jan 2018- Feb 2018

Intern Assistant

- Assisted in the research and data collection on Sustainable Development Goals (SDGs) in the MENA region.

EXTRACURRICULAR ACTIVITIES

Nature Conservation Center, AUB, Beirut, Lebanon

Nov 2018- Feb 2019

Volunteer

- Provided support in testing and updating the database for the beta version of Daskara App.

Global Health Institute, Beirut, Lebanon

Oct 2018

Coordinator Volunteer

- Conducted activities to promote better health practices.

Jusoor, Beirut, Lebanon

Jan 2018- Feb 2018

English Instructor

- Taught English and prepared activities and assessments for Syrian refugees in Beirut.
- Supported students in creating their resumes for work and university applications.
