EXPERIENCE

XTRATREND - OWNER

XtraTrend is an **E-Commerce** store that I founded and ran in my early teenage years. My role was a middle man between the supplier and the buyer/customer without holding any inventory in which I learned and used:

- **Shopify** which is an e-commerce store platform
- **Facebook** ads and **Facebook** Pixel, in which I implemented several advertising campaigns
- **Instagram** influencer marketing
- Customer service
- Sales and financial management
