Education

BS in Business, Information Technology Management, CGPA: 3.75/4

Sept. 2019 – 2022

USAID Higher Education Scholar at Lebanese American University, Lebanon

Work Experience

▪ **Monitoring and Evaluation internship at Chemonics**

Jan. 2022 – Present

Receiving and validating data collection forms from field officers. Entering data on the database. Reviewing Technical Reports for CSP activities and comparing expected results with actual results. Helping the MEL team in conducting surveys

▪ **Sales Analyst internship at Schemazone**

Jul. 2021 – Oct. 2021

sales planning, consumer and organizational buyer behavior, buyer's decision-making process, sales forecasting and budgeting, effective communication and relation between sales and marketing.

▪ **Research and Development at Creo Incubator**

Jun. 2021 – Nov. 2021

Researching for grants and filling their applications. Writing literature reviews and press releases. Also, doing quality control tasks along with summarizing courses offered by Creo.

Achievements

▪ **Scholar at the USAID Higher Education Scholarship (HES) at LAU**

Sept. 2019 – Present

A fully funded scholarship provided by the US government to study at LAU based on Academic Excellence and Leadership and Civic Engagement.

▪ **Group Leader for the Community Service Project**

Mar. 2022

HES students must implement a community service project. My colleagues and I have implemented a project about young women empowerment, where I was assigned as the group leader. The goal of our project was to teach orphan girls how to do crochet work. We supplied the girls with training and raw materials.

▪ **Vice President of the Gamers Club at LAU**

Sept. 2021 – Jan. 2022

▪ **National Finalist in L'Oréal Brandstorm 2021, Innovation Contest, Lebanon**

Apr. 2021

▪ **First Prize winner for the "Win from Home" competition at LAU**

Apr. 2019

Students Activities in LAU partnered with Starzplay and organized a competition to design a poster related to the corona pandemic. I won and received a 1-year subscription in Starzplay.

Volunteer Experience

Volunteering with Outreach and Civic Engagement Unit at LAU

Sept. 2019 – Present

Implemented up to 300 documented volunteering hours with multiple NGOs. Using team work, coordination, communication and leadership skills, I have worked on numerous activities: tutoring, cleaning, arranging objects, packaging food, locating houses, data entry, designing posters and serving food.

Software and Language Skills

- **Technical Skills:** Microsoft office, Tableau, Relational Data Bases, SQL, SPSS, Odoo, Java and python programming, Eclipse, Microsoft SQL server management studio, pycharm
- **Language Skills** Arabic: Native | English: Fluent

Projects

▪ **Creating the backend of an Inventory Management System database using SQL**

Sept. 2021 – Dec. 2021

▪ **Performing data analytics on the titanic dataset using SPSS, Excel and Tableau**

Sept. 2021 – Dec. 2021
