JAD NABIL FAYAD

Nationality: Lebanese

Languages: Arabic, English

Date of Birth: 22/10/1999

Mobile Number: +971 502678460

Email: jnf03@mail.aub.edu

Objective

To acquire a summer internship where I can engage my Academic knowledge to gain experience in the Computer and Communications engineering field (CCE).

Education

- High school diploma from SABIS International School (Abu Dhabi) in May 2017.
- Current third year student in the American University of Beirut majoring in Computer and communications Engineering.

Relevant Coursework

- Computer Organization
- Signals and Systems
- Data Structures and Algorithms
- Computer Architecture
- Communication Systems
- Mobile Network and Applications
- Engineering Economy
- Numerical Computing

Technical Skills

- C++
- JAVA
- Python
- Android Studio

- Excel
- Microsoft Office

Academic Projects

- Designing and implementing a data structure that stores relative information of an international company.
- Building an Android application that can analyze cell specific data.
- Participated in and programed a robot to do specific tasks with the help of colleagues in a robotics competition.

Other Academic Qualifications
