Education

AMERICAN UNIVERSITY OF BEIRUT AUG 2018 – MAY 2022

- Bachelors in Computer and Communications Engineering
- GPA: 3.58 / 4.00 – Distinction Graduate

Professional Experience

Junior Business Analyst | Inspire for Solutions Development JUNE 2022 – Present

Amman, Jordan

- Develop user stories and epics for Riyadh Bank and other KSA banking systems.
- Plan the workflow for the QA team to test the stories as part of the Agile Development process.

UX/UI Designer | District General Trading and Contracting Company APRIL 2022 – May 2022

Beirut, Lebanon

- Redesign existing mobile and web platforms for Jothan Academy and My Colors to make them more user friendly.
- Develop a user interface for district91 which is considered the most competitive approach for the company to increase its revenue for being the only licensed cosmetics academy in Kuwait.

UX/UI and Front-end Android Development Intern | OREYEON JAN 2022 – APRIL 2022

Beirut, Lebanon

- Develop UI for the android applications requested by aviation airlines or airports using Adobe XD and Android Studio.
- Master the artificial intelligence mentality in finding solutions for foreign object debris (FODs) on runways.

Social Media Marketing | CHARITY SHOP GIVE ME A PAW JUNE 2021 – JULY 2021

Beirut, Lebanon

- Increased sales by 30% within a month by designing catchy posts for their Facebook and Instagram pages.
- Developed a variety of topics for each week and collected the most trending hashtags related to the topic to increase the number of followers on their social media pages.

Android Developer Intern | SAMSUNG ELECTRONICS JUNE 2021 – JULY 2021

Tunis, Tunisia

- Developed an android application from scratch that tracks the maintenance of a product using its serial number using Android Studio (Java) and SQLite Database.

Achievements and Extracurriculars

Digital Marketing | Bright Network UK JULY 2021

- Created a marketing plan for a flower direct located in London and wanted to open a new branch in the UK, so I studied the population, economic situations, business trends and latest marketing strategies in different UK cities.
- Presented my report in a slideshow using Canva slides.

Agile Software Development | Bright Network UK DEC 2020 – JAN 2021

- Prepared a user story summary, sprints, project management plan, communication plan, acceptable criteria, and a high-level project summary for a face recognition project release for a bank account by attending 6 sessions held by Accenture, Google, Dyson, Bloomberg, Amazon, and Vodafone.
