LIFE EXPERIENCE

- **Self-control and management of emotions:** Have an adventurous spirit, lots of adventures in nature which made me an expert in controlling my emotions and stress.
- **Challenge myself frequently:** Moved three times into a new country alone and went on an Asian trip for 2 months and a European trip for 1 month alone.
- **Working hard to get what I put my mind to:** Traveled to 22 countries by the time I turned 22 years old by making sacrifices & working peculiar jobs to save money (picking up grapes to make wine, selling ice cream, working in a festival).
- **Not afraid of failures:** Started my own K-beauty company by myself. Imported Korean products to Lebanon.
- **Interest in learning:** Always cultivating myself with books, documentaries etc. Currently learning about cryptocurrency and two new languages.
