## Summary

---

A passionate finance graduate that is striving to inhale knowledge and experience during early post-graduate years. Currently searching for a job opportunity to prove that what has been acquired in theory can be perfectly applied in practice. Having a positive attitude with multitasking capabilities, and showing the total willingness to take on added responsibilities in order to meet job requirements.

## Milestones

---

### **LAU Model United Nations Head Teacher Advisor** (February 2022 – Present)

- Trained and equipped high school students with the needed skills and know-hows over months in the fields of public speaking, diplomacy, and essay writing.
- Led the team into a remarkable victory for the students and the institution. This experience came after being a delegate and a student advisor during high school.

### **Co-Founder of an Educational Initiative: Serqels** (August 2020 – March 2022)

- Played a managerial role in the startup by preparing financial projections (Cash flows, Income Statements)
- Created data that was pitched in front of investors through providing them with the required projections.

### **Online Tutoring: University Peers in and High School Students** (June 2020 – Present)

- Taught university colleagues in courses of Macroeconomics, Financial Analysis, and Financial Markets, adding to teaching several high school seniors the subject of Economics for their official exams.
- All aforementioned students have passed their respective courses and subjects.

### **High School's Elected Student Body President** (October 2018 – June 2019)

- Elected as the seniors' class representative and later on as the division's Student Body President by more than hundred scholastic peers.
- Planned several events and had participated in launching different projects for the sake of the students by enhancing academic facilities and creating daily activities.

### **Youth Social Program Volunteer at Achrafieh Social Association** (January 2018 – May 2018)

- Worked on data collection and on examining numbers for the association during more than a hundred and fifty hours of volunteering.
- Contributed in supporting the targeted families and individuals that fall under our geographical region of work.
