Skills Summary

A psychology student that aims to become a future industrial organizational psychologist, while also attaining my teaching diploma. An active listener, critical thinker, and self motivator. Acquired leadership skills, teamwork skills and time management skills. My experience in studying psychology has made me a better communicator and well educated regarding stress management and coping strategies.

Education

Lebanese Baccalaureate

Saint Mairy's Orthodox college

2018

B.S in psychology at Lebanese American University

2021

Current GPA 3.0

Experience

Student employment at LAU Memorabilia

Gallery Assistant

2019-2020

My job at the memorabilia was to assist in the purchasing of products, organizing items displayed in the store, managing the gallery's collection, and providing customer service for visitors.

Children's Rights Festival LAU

Student employment

2019

A series of events from concerts, workshops, lectures and exhibitions are held to recognize children's rights that are not yet attained in Lebanon. Our job is to fund for these events. Contacted multiple banks and NGO's for their financial and social support.

LAU Fouad Makhzoumi Innovation Center

Member of the student board

2018-2019

Our main goal was to help new start ups and entrepreneurs to reach their dreams. Organized events at LAU that encouraged dedicated students to start their own business and grow further. Enlightened students to expand their creative thinking skills and think out of the box.
