EXPERIENCE

2021-   **LIMASSOL, CYPRUS**

MeritKapital, JUNIOR DATA ANALYST

MeritKapital is an investment and asset management firm in Cyprus. It focuses on fixed income trading. As a junior data analyst, my core activities include producing reports on the different traded instruments and analyzing data to improve business operation, employee performance and increase revenue.

2016 – 2020   **MARJEYOUN, LEBANON**

SOL LAGUNA, EXECUTIVE MANAGER

Sol Laguna is a hospitality group consisting of a collection of resorts and restaurants in South Lebanon. As an executive manager, my core activities include allocating resources and overseeing the work being done along with analyzing sales data to plan and assist future steps and submitting financial reports.

AUGUST 2019   **HOULA, LEBANON**

WARD COMPANY, CIVIL ENGINEERING SITE INTERN

Ward Company is the contracting firm for the C800 project in South Lebanon. The project aims to satisfy the water needs in the area from the Qaraoun lake. As a site intern, my activities included coordinating activities between office staff and site workers.

JUNE 2019 – AUGUST 2019   **BEIRUT, LEBANON**

KHATIB & ALAMI, CIVIL ENGINEERING SITE INTERN

Blom Bank Headquarters project in Solidere Beirut, constructed via the top-down construction. As a site intern, my core activities included approving assembly of steel cages for diaphragm walls and overseeing the construction of elements on site.
