PROJECTS

Facecook —A foodie website

A website that takes the cooking ingredients you have at home and displays the possible meals you can make with them

On this website can find any recipe through ingredient who has it

- add/update/delete recipe and ingredient
- Add the preparation steps
- Rating and review for recipes
- Search any recipe by ingredient

PROFILE

- A passion for participation by Ultras fans for my favorite team.
- i am always looking to develop myself with everything new
-
-
