## EXPERIENCE

Khatib and Alami - Architectural and Engineering Consulting Company

Jun 2019 – Aug 2019

Intern

- Assessed the design of Al-Mazar office building's HVAC, plumbing, drainage, and firefighting system.
- Prepared presentations and participated with the head of engineers in meetings with contracting companies.

Co-founder of Vira Ltd., Beirut, Lebanon

Jan 2021 - Present

Vira is a software as a service startup that provides cloud based online bookings and business management software in the beauty and wellness industry.

- Secured 10,000\$ funding by preparing and pitching an accurate financial and business study for the project.
- Managed to develop a beta version of Vira that is being tested.
- Currently developing a go-to-market strategy that reflects Vira's mission and vision.

E-commerce Entrepreneur

Nov 2019 - Present

- Co-founder and owner of **Alef Beirut – International Fashion Brand**
  - Built a retail and wholesale international online business distributing in Lebanon, Africa, and Canada.
  - Managed to differentiate my brand in a red ocean market by exclusively introducing a new fabric quality.
- Co-founder of **The Circle – Bookstore and Printing Center**
  - Given the network and experience I established, I managed to start a business in one week that is generating an average of 3000\$ per month in revenue in its first two quarters.

Middle East Airline Services

Jun 2017 – Aug 2017

Intern

- Developed a solution with 5 engineers tackling the pressure drop in the chillers affecting terminal C.

## HONORS AND AWARDS

Global Outreach and Leadership Development Conference - New York

- Represented **Lebanon** in **New York** in **GOLD** conference with 5 colleagues after winning the **Best Delegate Award among 3000** participants.
- Awarded a Full Scholarship to Lebanese American University.

Full Scholarship to the American University of Beirut

- Awarded this scholarship for academic and leadership excellence.
