## EDUCATION

### Lebanese American University

Beirut

*Bachelor of Science in Economics (Minor: Mathematics)*

*September 2020 – Expected June 2023*

- GPA: 4.0/4.0
- Dean's Distinguished List (Fall 2020 - Spring 2021)
- SAT and Honor's Scholarship recipient
- Club activity: consulting and investment clubs

## LEADERSHIP AND EXTRACURRICULAR EXPERIENCE

### LAU investment club

Beirut

*Cofounder*

*September 2021- Present*

- Co-initiated the club which aims to introduce LAU students to the different fields in the banking and investment industry
- Coordinated and hosted multiple events aimed at providing students with the opportunity to meet LAU alumni pursuing careers in various fields of finance
- Planning currently LAU's first stock pitching competition

### J.P Morgan Virtual Learning Program

*Participant*

*June 2021*

- Participated in the open access J.P Morgan virtual learning program on the Forage website. In this program in my role as a virtual participant, I have completed several tasks including:
- Found M&A targets for the client based on the company size, market, product, and future growth.
- Completed the company's DCF valuation and evaluated the impact of newly available information on it

### Blom-Invest Bank Virtual Stock Exchange competition

*Contestant*

*December 2020- February 2021*

- Traded one million US\$ worth of equities
- Ranked among the top 20% of participants in the competition
- Achieved a return on investment (ROI) of 16.5%.

## ACHIEVEMENTS

### LAU consulting club - Consultant of the month

- Awarded for multiple case solutions which have been deemed the best among submissions

*October -November 2021*

### Higher School of Economics - Moscow Entrance Scholarship (60% of tuition)

- Awarded for receiving exceptionally high grades on admission exams

*July 2020*

### Frankfurt School of Finance and Management General Scholarship (50% of tuition)

- Awarded for the whole duration of bachelor studies, in recognition of exemplary high school grades, test scores and admission interview results

*December 2019*

## VOLUNTEER EXPERIENCE

### MMKN NGO

*Tutor*

*February 2021-July2021*

- Taught chemistry to 100+ students from underprivileged backgrounds, struggling with online education and prepared them for their official exams
