## Education

### Bachelor of Science in Chemical Engineering

Aug 2017 – May 2021

American University of Beirut

Beirut, Lebanon

- AUB SSG Scholarship Recipient
- Dean's Honor List

## Involvement

### Research Staff Member

Jan 2021-Sep 2021

Sustainable Engineering & Lifestyle (SEnLi)

Beirut, Lebanon

- Researched and evaluated new sustainable technologies in the field of engineering.
- Wrote articles and created social media content to raise awareness about the importance of sustainability and environmentally conscious lifestyles.
- Collaborated with a team of professionals and volunteers to implement sustainable initiatives and promote environmental education.
- Utilized research skills, writing abilities, and passion for sustainability to make a positive impact in the community

### Director of Committees

Nov 2020 – May 2021

Beirut International Model United Nations (BEYMUN)

Beirut, Lebanon

- Conducted interviews and hired competent candidates to chair the committees, ensuring that each committee had a well-qualified set of chairs.
- Facilitated training sessions for the chairs to provide them with the necessary skills and knowledge to successfully manage their committees, resulting in high-quality and engaging committee sessions.
- Held training sessions for participating delegates to provide them with an overview of the conference and equip them with the skills necessary to succeed in the conference.

### Event Planner/K-12 Officer

Nov 2020 – May 2021

AIChE (American Institute of Chemical Engineers) AUB Chapter

Beirut, Lebanon

- Collaborated with a team of officers and volunteers to develop event concepts, timelines, and budgets that were tailored to the virtual format.
- Leveraged various digital tools and platforms to manage event logistics to ensure a seamless attendee experience.
- Coordinated with the AIChE AUB Chapter's executive board to align the K-12 outreach program with the chapter's overall goals and strategies.

## Experience

### Research Assistant

Dec 2020 – Feb 2021

American University of Beirut

Beirut, Lebanon

- Conducted research on household pharmaceutical waste disposal methods.
- Collaborated with a team of engineers and scientists to design and implement experiments.
- Analyzed and interpreted data, and presented findings in a clear and concise manner.
- Contributed to the development of new waste disposal methods that are both environmentally friendly and efficient.

### Customer Service Representative

Dec 2020 – Feb 2021

SmartSource

Beirut, Lebanon

- Assigned to Boston Vision to provide excellent customer service to patients.
- Resolved customer inquiries and complaints in a timely and efficient manner.
- Utilized product knowledge and interpersonal skills to maintain positive customer relationships and ensure customer satisfaction.
- Assisted with various administrative tasks to support the overall customer service efforts of the company.

## Skills

### Technical Skills

Chemical process design and optimization, Fluid mechanics and heat transfer, Statistical analysis and modeling, Technical writing and report generation, Safety protocols and compliance

### Software

Aspen HYSYS, NI LabVIEW, AutoCAD, MATLAB, Loop Pro, Super Pro, Microsoft Office Suite (Word, Excel, PowerPoint, Outlook), Canva

### Interpersonal Skills

Teamwork, Problem-solving, Written and verbal communication, Adaptability, Time management, Organization, Leadership, Attention to detail, Customer service

### Languages

English, Arabic
