Web Management

- Windows Server Hosting – IIS deployment and Management
- Sitecore Hosting Management
- WHM and cPanel Management Panels
- DNN Hosting
- Plesk Hosting
- WordPress Control Panel
- MS Azure Deployments and Configurations + Bot Services
- Facebook Apps + Messaging for Bots
- Facebook Business Manager

Project Management

- Requirements Gathering and Analysis
- End-user Training on Product/Software
- Standard Operating Procedures Manuals and System Documentation

Systems Administration

- Software deployment on premise, on Azure, and on Facebook apps (.net applications, .net core applications, 3 tier apps, multi node applications) (Webforms, MVC, GCP Integrations)
- Troubleshooting server and software issues; conduct solutions, root cause analysis and preventive actions (SQL issues, server issues, IIS issues, .net Core issues)
- Provide IT training on troubleshooting and problem-solving techniques
- Windows Server 2019 – 2016 – 2012 – 2008 – 2003
 - Planning Infrastructure Design for Domain Services
 - Implementing Domain Services in infrastructure including Sites, GPOs, RODCs, Certification Authority
 - IIS management and configuration
 - Hyper-V, DFS, DHCP, WSUS, Backup Services
- Exchange Server 2007-2010-2013-2016 implementation and configuration with database high availability, redundancy, mailbox backups, online archives
- Skype for Business Server/LYNC Server with persistent chat
- MS SharePoint Server implementation and configuration
- MS Project Server implementation and configuration
- System Center 2012 - 2016 – 2019 (SCCM + Endpoint Protection, SCOM, SCVMM, SCDPM, SCSM)
- MSSQL administration, including backups, replications, mirroring, transactional log shipping, setup of triggers, views and stored procedures
- Server hardware experience (HP Blade Servers and IBM Servers, ILO4, IMM2, Megaraid, SAN, NAS, Tape Library)
- Infrastructure monitoring tools installation and configuration
 - Netwrix Auditor
 - PRTG
 - PowerShell scripting with email notifications
- FortiGate firewall configuration
- ISA - TMG management and configurations
- VPN configuration on FortiGate firewall, Remote Access Server, TMG

TRAININGS

- ASP.NET Core MVC, LinkedIn Learning, Aug 2020
- WordPress 5 Essential, LinkedIn Learning, Jul 2020
- Microsoft Azure Fundamentals, LinkedIn Learning, Jul 2020
- System Center 2016 Service Manager, LinkedIn Learning, Jul 2020
- Project Management Professional Course at Amideast from Oct. 26 till Nov. 6, 2015
