ABOUT ME

Dual degree honors graduate with a strong interest in using architecture as a tool to promote political awareness and social integration. In short, I am a detail-oriented, hard-working, and fast-learning individual, with a positive outlook, seeking an entry level design position that would allow me to apply my knowledge and earn instrumental experience while contributing to the success of your team.

PERSONAL SKILLS

LEADERSHIP | TEAMWORK

Being elected as University and Integrity Council President, and cheerleading captain has allowed me to develop the necessary leadership skills by effectively **communicating information** and **cooperating** with team members to delegate tasks, **resolve conflicts**, and **make decisions** on behalf of my peers.

COMMUNICATION | POSITIVITY

Working in customer services allowed me to develop **conversational and public speaking** skills and most importantly **problem-solving** skills needed to maintain a **positive attitude** and healthy working relationships with clients.

CREATIVITY | PUBLIC SPEAKING

Selected by department chairs to represent my university by demonstrating my projects and research papers in competitions and symposiums on account of my creative concepts/designs and fluency in delivering presentations.
