PROFILE

A passionate and ambitious individual who is eager to grab new opportunities to constantly learn, develop, and grow professionally. Throughout my work experience and successful achievements, I was able to demonstrate that I am a contributor of change. I am quite interested in the field of Human Resources and Talent Acquisition, thus I strive to employ my skills and widen my experience in order to excel in this domain. I do believe in my ability to constantly uplift businesses through employing effective leadership, strategies, and innovation.
