WORK EXPERIENCE

Founder & CEO

Gliq S.A.R.L

01/2016 - Present

Beirut, Lebanon

Innovative social media platform for gamers.

Achievements/Tasks

- Handled recruitment, business development, sales, accounting, as well as the marketing side of Gliq. From the start of the company, I was in charge of bringing together a team, working close with investors, and developing multiple aspects of the startup.

Trading/Risk management Intern

AIDI S.A.L

03/2021 - 06/2021

Beirut, Lebanon

Achievements/Tasks

- Worked in the dealing room, where I was put in high paced situations constantly. Brought in clients, and took/implemented orders, while assessing the risks and filtering deals.

PERSONAL PROJECTS

Gliq S.A.R.L (01/2016 - Present)

- Founded Gliq, a social media platform for gamers in 2016. Fully developed the iOS version, and later on recruited a company to polish and publish the platform on both iOS and Android. Reached significant milestones with limited resources. Received multiple awards and won multiple international competitions. Worked directly with public figures and top companies worldwide.

ORGANIZATIONS

Volunteered at Children of Mary Group (08/2020)

Volunteered at the children of mary group, where explosion relief was provided for families affected by the Beirut explosion
