## Objective

I am interested in a company that would seek my qualifications so I can have the best experience.

I am willing to stay in one company and work harder for higher positions, I'm interested in the IT Department for the future because that is what I have studied for and I have a passion for this kind of jobs.

## ❖ Experience

- **BHV, ADMIC S.A.L (Retail)** Dora, City mall Branch (April-2014 May-2015)

### Cashier, Customer service

As a cashier, I had a lot of responsibilities including items and cash, Every single item that goes out of the store in orders or delivery.

Also our main duties were Greeting and assisting customers. Receiving payments by cash, c-check, credit cards, vouchers,

Opens, closes and operates cash registers, counts money, separates charge slips, coupons and vouchers, balances cash drawers.

- **GFK Media Research Middle east** Beirut, Bichara al khoury, Berytech Building (November-2015 February-2018)

### T.V Monitoring, Data Entry

Up to date daily reports, T.V Monitoring Gulf Channels as a third party company, Quality checks for programs in order to keep the promotions on time without any errors to send out reports.

Working on Rating/statistics.

Training new co-workers.

## ❖ Education

**Arab Vocational Institute** Salim Salam (July 2015)

**BT3 Information technology Certificate.**

**Lebanese International University** Salim Salam (2017)

### Network Engineering

I did not continue my education due to my job schedule.
