## EXPERIENCE

### Development Team Leader

**Nascode S.A.R.L, Beirut, Lebanon** | December, 2019 - Present

- As an experienced Development Team Leader, I'm Responsible for overseeing all activities within my team and made key decisions to ensure the proper distribution and implementation of tasks while working on a wide range of projects.
- I have also set a great example to my team members in regards to my proven technical background and capability.
- Moreover, I have worked closely with project manager to ensure successful project testing and high quality delivery and ensure the management of any risks or issues throughout the project.
- I have also participated in reviews and meetings directly with clients to provide project progress updates and technical support

### Development Team Leader

**Vynets, Beirut, Lebanon** | March, 2018 - November 2019

- Leading a team of developer responsible on the coding and development of Vynets products and solutions.
- Aside from writing a good code, I'm focusing on adding new features and creating products with excellent user experience to increase user engagement and usability of AR/VR products for multiple industries.

### Senior Web Developer / Head of Development

**SoftImpact, Beirut, Lebanon** | March, 2013 - February 2018

- The learning curve that comes with this position has helped me grow on many levels.
- The world of technology is rapidly evolving and I managed to keep up and apply the learnt theories on clients that include but are not limited to LBCI, Bridgestone, Mondanite, Virgin Ticketing Box Office, etc.

### Web Development Internship

**SoftImpact, Beirut, Lebanon** | December, 2012 - February, 2013

## EDUCATION

### Master's Degree in Web Development

**Lebanese University of Sciences** | June, 2012

### Bachelor's Degree in Computer Science

**Lebanese University of Sciences** | July, 2011

### Lebanese Baccalaureate – General Science

**College Oriental Basillien** | June, 2008
