Contact : Hadi Daou

## PERSONAL PROJECTS

### Microsoft Access Database for my school's Career Guidance Office (01/2020 - 10/2020)

- Designed a database from scratch using Microsoft Access to assist with planning and managing university information for high school students. The database included tables, forms, queries, and reports, allowing students to enter their information and interested university choices to apply to, as well as the university they committed to.

### Diver's Escape: Kid's Game on Scratch (04/2020 - 05/2020)

- Programmed and Designed a simple game on Scratch for children.
- Move a diver using the mouse in order to reach the surface, while avoiding sharks.

### SDGs Lebanon - Blog and social media page (05/2020 - 07/2020)

- Lead and organized a group of classmates to create a blog website and social media page.
- The project focused on tackling topics about SDGs in Lebanon and the Middle East.
