Experience

BTekUp

Intern, UX/UI Designer for Web Applications and Branding Guidelines

Beirut
June 2022- Sep 2022

Worked as a team player on projects where we:

- Designed various logos and branding based on the clients' needs and preferences
- Designed user-friendly web applications for clients

Personal Projects

- Created a responsive front-end website for sports e-commerce business using HTML and CSS
- Created a responsive front-end website grocery shop using HTML, CSS, JS
- Designed a user-friendly e-commerce mobile and web application using Figma

Organizational Skills

Leadership and Self-Confident:

- Giving kickboxing classes to young kids and adults which improved my leadership skills.
- Training 3 times per week made me more disciplined.
- Winning the Kickboxing Asian WKU LFKS Championship which boosted my self-esteem.

Volunteering Work:

- Served 24hrs with disabled people where I assisted nurses with minor tasks
