Aurore TRAD

Business Administration Student

I'm a first year Business Administration student, backed by a good knowledge of business theories, principles & analytical methods, and I have a good communication and writing skills.

I'm looking for internships where I can work in a competitive and challenging environment, in order to prove my abilities and build effectively my career.

Work Experience

Private Tutor

From September 2020 – to Present

I assist 3 different students in their online classes, in order to help them improving their skills and learning capacities.

This experience can be described by the following:

1. Developing a tutoring plan that fits the student's individual needs.
2. Listening to the student's problems so I know the best way to assist them.
3. Creating academic plans to facilitate the accomplishment of goals
4. Prepared lessons and assign and correct homework.
5. Improved the student's test scores in the classroom.
6. Communicated with parents and update them on student's progress.
7. etc...
