## OBJECTIVE

Junior accountant with a TS Audit and Accounting Expertise degree looking for a job as an accountant. I studied an accounting data entry course that helped me learn the practical part of my major.

## EDUCATION

**Technical Baccalaureate degree Accounting and Informatics | Nabatieh Technical Institute**  
2016 – 2019

**Technician Superiors degree Audit and accounting experience | Saida Technical Institute**  
2019 – 2021

At the end of this year I gathered and analyzed the annual financial data of a Lebanese company, and in the end, propose solutions for the company to help it deal with its weak points.

After my graduation, I studied a data entry course “*Data Entry for Different Types of Companies*” this course helped me implement what I learned in the major.

## EXPERIENCE

**Cashier | A la Grille**  
2021 – 2022

- Manage the restaurant indoor and outdoor sales
- Assist the manager in monitoring the stocks
- Responsible for the financial accounts of the employees in the restaurant

## SKILLS

- Continual learning
- Attention to detail
- Team oriented
- Ability to work under pressure
- Quick learner

## ACTIVITIES

Playing games, reading, watching anime and learning new things
