Summary

This is my last year as a computer science student. I have skills in many programming languages such as HTML, CSS, JavaScript, Python, Bootstrap, MySQL and PHP. On a side note, I love working on projects and building them.

Experience

College Notre Dame de Louaize | Zouk Mosbeh, Mount Lebanon
IT Technician | 06/2021 - 07/2021
I learned how to disassemble and fully reassemble laptops and desktops, format devices into windows 10, replace ink toners and print test page, change IP address, setup desktops, laptops, printers and scanners , add windows product key, a little bit of coding in HTML, CSS and MySQL. It taught me what is it like to work in a real environment and showed me how great the work of IT is. Finally, I learned how to work with a team, manage my tasks and time.

Skills

HTML, CSS, JavaScript, Python, Bootstrap, MySQL, C++, Microsoft Office

Education

Notre Dame University (NDU) | Zouk Mosbeh, Mount Lebanon Governorate
Computer Science | 07/2022
Currently working on improving my skills in programming languages and coding. My GPA now is 2.96.
