EXPERIENCE

Ancova Capital Management

Grand Cayman, Cayman Islands

Junior Frontend Developer

Sep 2022 – Nov 2022

- Collaborated with the company's graphic designer to create websites that are responsive, user-friendly, visually appealing, and achieve maximum scores in Google Lighthouse's four areas: Performance, Accessibility, Best Practices, and SEO. Additionally, I was tasked with ensuring that sites appear as the first result when searched on Google.

Ancova Capital Management - Internship

Grand Cayman, Cayman Islands

Frontend Developer - Intern

Jun 2022 – Aug 2022

- As a trainee at Ancova Capital Management, I had to convert the design files into coding files. The design files were provided by the company's designer, and it was my job to create websites that matched the expected output.
