Radio Voice of Lebanon - Ashrafieh

2020 - 2021: Internship

As part of the production team of Dynamo Beirut, a new weekly show that presents controversial issues with a twist, and that airs via Radio Voice of Lebanon and Facebook, my tasks include:

- Preparing the introductory sequence for every episode, by collecting information about the guest and writing an appropriate introduction.
- Writing a weekly article that summarizes the episode's content. The article is then published on the radio's website.
